I first met Sharon when my daughter Katie was born and I took her to Dr. Ikeler's office. As the years went by I would see her in town, and we would stop and visit. She always had a smile. When my granddaughter Danica went to Altoona School I made pecan pies for the Fall Carnival. The next time I saw Sharon she told me how great my pie was. For the next several years I made extra pies. She always appreciated them. We all lost a beautiful soul. And heaven got another angle. Good by my friend! Becky

Condolences from the Calhoun family. I was so saddened to hear of the passing of Sharon. She was such a kind soul and so welcoming to strangers. A happy person that everyone gravitated to. Prayers for all her family and friends. My father Charles couldn't say enough positive things about her when he told me yesterday that she had left us for heaven. - William & Mary Ellen Calhoun
