“ Never gets any easier when we have to cope with losing our loved ones. There are no words. I struggle daily since the loss of my mother so I will just say that I will miss her and my heart goes out to my Uncle and to all her family and friends. May the memories each of you have of her help you through this difficult time. Love you all....Debbie

“ Bob and family, I pray that the God of all comfort will wrap His loving arms around you all and fill you with His peace. It is written in 1 Corinthians 2:9, ""What no eye has seen, what no ear has heard, and what no human mind has conceived" - the things God has prepared for those who love him. With love and sympathy,.
