“ Uncle Buddy, Aunt Gay was a very intelligent, sweet lady who loved you very much. She also loved spending time with her family. And loved animals especially her pet squirrel critter, although allergic to them. She enjoyed life to it's fullest. You are in my prayers as is she. Whenever you are sad just think she is watching over us and no matter what she will always be with you in your heart. I love you and am sorry I am unable to be there. I love you. Love, Lynsey and Chris

“ Dear Buddy, Please accept our sympathy on the loss of your dear wife Sheila. We were out of town last week until Thursday. When we returned, our plan was to call you and go visit on Friday. Our shock at seeing Sheila's obituary in the paper really shook us. We were too late to visit with her. We are thinking about you and wish you well. Take care, Love, Lynne & Bob

“ I worked with Shelia at Hollywood and was housemates with her and Mary for one year. As I was born, raised, and educated in West Virginia; we seemed to have a connection. She was very good to me and I have thought of her offer and fondly over the years. I will miss her. Thank you so much for letting us know.

“ Our children, Ricky and Jenna, were blessed to have Shiela as their fifth grade teacher at Hollywood Elementary. What a gift she was to us. Shiela gave so much to her students. I was fortunate to be her "Room Mom" those two years, as well. What fun we had! How our kids loved wearing their Virginia Tech clothing to school - especially after a big win against WVU ! We hope you eventually discovered the "Go Hokies" written under the seat of the bench we gave Shiela as a class gift! It was so much fun hiding it there - hoping one day she would discover it! (...and, yes, Shiela, they are both Hokies now! :->) Shiela was a special person to our family. Buddy, our thoughts and prayers are with you. Please know we are thinking of you.

We will send a contribution in her memory to the class of 60 scholarship fund. We will be thinking of you, Freda
