“ *It was such an honor to meet Shelbie back in December. She is a great person and her loving smile and personality will be missed. I am sure that she was a blessing to all that she met and knew. Heaven has gained a great Saint today but we who are believers will one day see Shelbie again to spend eternity with her and our precious Lord. Jay, a great friend, may the Lord bless and comfort you beyond measure during this time. In Christ Jesus; Rob Edwards*
