“ Stan and I send our condolences, Judy. We remember way back 50 years ago when Stan and Sherman went to Lakeland College. Sherman was just one of the happiest, most energetic guys and we remember you both fondly. It’s just by happenstance that Stan came across Sherman’s obituary today. You and your family are in our prayers.

“ I remember, 40 years ago ,when we lived next-door, on Friday Sherman would get off work early. Then I would always hear Jimmy Buffett blaring through the walls while Sherman made pizza for his family!
