

Sherry Lynn Haper

June 19, 1972 - February 26, 2022

Our beloved Sherry Lynn Haper, 49 of Leesburg, FL passed away surrounded by family February 26th after a courageous battle with cancer. She was a loving mother, daughter, sister, aunt, grandmother and wife. Our sweet Sherry had so much love and fight in her, she was a light that shined bright and was everyone's sunshine. She loved sitting at the beach and listening to the waves as well as her time in the mountains. Sherry loved to help and always went above and beyond for those that needed her. She will be greatly missed by her family and friends.

"We know that we cannot have you, but we are happy knowing that you will be our angel."

Sherry is survived by her husband Paul "Dobie" Dobrin, her 4 children Michael, Austin, Nick, and Jessie, mother Judy Magourik, brother Danny Jones, sister Tiffany Linnemann, and her 2 daughter-in-laws Hallie Hall and Kerri Wolverton, as well as 4 sweet grandchildren, 1 niece and 2 nephews.

"Go rest high on that mountain sweet angel, till we meet again."
