“ I am a Paramedic Student who recently had a clinical for school @ Arnold Palmer Hospital. I had the opportunity to meet Shiloh during such unfortunate circumstances. I am a father of 3 year old boy who means the world to me, which is why i think Shiloh's case touched me so deeply. I wanted to extend my condolences to his immediate family, friends, and even just people such as myself who had the opportunity to meet Shiloh even at a glance who was touched by his strength and his Story. Shiloh has his wings now and is at peace. My condolences. -Ryan Adkins-
