“ Shirley was a special Aunt. She loved to have fun and joke around. She loved the beach and time spent with her children. The beauty of a memory is that its always there. Like a penny in your pocket, you can take it anywhere. This verse reminds me of what she would want.

*A limb has fallen from the family tree.  
I keep hearing a voice that says, "Grieve nor for me."  
Remember the best times, the laughter, the song.  
The good life I lived while I was strong.  
Continue my heritage, I'm counting on you.  
Keep smiling and surely the sun will shine through.  
My mind is at ease, my soul is at rest.  
Remembering all, how I was truly blessed.  
Continue traditions, no matter how small.  
Go on with your life, don't worry about falls.  
I miss you all dearly, so keep up your chin.  
Until the day comes we're together again.*

*We love you Aunt Shirley and miss you! We will see you again.*
