“ I am so sorry for the passing of Shirley,my condolences to her Family. I know well the pain of losing a loved one in death. What has helped me during this difficult time is God's promise at Revelation 21:4-"And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Soon death will be done away with and we will see our loved ones again. I hope this gives your Family comfort.

“ Shirley I will always have the wonderful memories of summers at your home in East Smithfield. Even putting the laundry through the wringer washer was made fun by you. The constant laughter, the campfires and using the CB radio to listen for Charlie to call us on his way home. All of your Missionary work certainly brought many into the love of faith to live the same life that you did. I know your parents and sisters all welcomed you and helped with your angel wings. My thoughts and prayers to you, your family and your church family.
