“ Dear family, Shirley was mom's (Arlene Peterson's) sister and a favorite aunt of mine. She was always funny and fun to be with. She enlivened any room she was in and set everyone to laughing. I never remember hearing her complain or be negative, she seemed always to see the positives in life. May God's comfort and presence fill every lonely heart. May He give joy when grief seems to overwhelm. And may we all ask Jesus to be our Savior so that we will see her again in Heaven when it is our turn to make that journey. Romans 10:9 says that if I will confess (or speak) with my mouth that Jesus is Lord, and if I truly believe with my heart that God raised Him from the dead, I will be saved. How wonderful! Confession with my mouth that Jesus is the only Lord, and believing that the resurrection really happened and we will also be resurrected to Heaven - saved when we die. That is for me - how 'bout you. Blessings, petey (LaVon)

“ *Shirley came into our family when I was about 15 yrs old. Because of her great personality I knew she would fit into our crazy humorous family, and she certainly did. We will really miss her and she will always be a wonderful Sister In Law to me. Jack Hitchcock .*
