“ Pam and Michael, your mother was a very good friend, and later a great sister-in-law. While I was in the 12th grade your mother picked me up at my house and took me to every Jefferson High School game. I did not have a car, and she wanted me to be able to go to all the sporting events taking place that year. I never forgot the experiences she provided for me that year. She was a good friend, and a greatly loved sister-in-law.
