“ *Shirley was so straight-forward and funny. She was a real personality and we always had a better time when she and Pete were at the US Navy LST 32 / AVB-1 reunions. It certainly is beginning to feel like there are more reunion folks on the other side with Jesus than there are here in this chaotic world. Shirley will not be forgotten. Margaret and I send our condolences to all who loved her.*

“ *I will never forget the kindness and generosity Shirley showed me immediately upon meeting her. She treated me as part of her family the moment I met her. I will continue to use her amazing mac and cheese recipe at family dinners for years to come- although, I'm sure it will not come out as good as hers :)
She was an incredible woman and she is missed so much already. My prayers and love are with you all- Frank, Phyllis, Cindy, Eric, Jessica, Angela & Kyle*
