“ So sorry for your loss, my thoughts and prayers coming your way. The past seven months that I spent with Granny was the greatest . She was a special lady I'm really going to miss helping her with her word searches. I'll always remember our outings looking for lizards and enjoying the sunshine !! Granny you were the best !! Love you !! You will be missed !

“ She was a sweet soul and lived by her children so much. Although I have not seen much of her in the last couple of years I will always remember her through her son John, my joyous companion. She is now with both her sons. John and Buddy, bless them all. ❤️
