“ My heart was sadden over the loss of your son and wanted to give my warmest condolences to the family. To lose a child no matter the age can bring such overwhelming grief but the God of all comfort tells us at 2 Kings 20:5 He hears our prayers, he sees our tears and he feels our pain. At jw.org we can read in the Bible John 5:28,29 that not only does God care but it will move him to remove all the suffering he sees and gives assurance that you will hold your precious son in your arms once again. May all the good memories his smile, his laughter, his love, give you calm and peace to help you through the dark moments until God's promises come true. Again so very sorry for your heartache.

“ I am so sorry for the passing of Sonnonaka, my condolences to his Family. I know too well the pain of losing a loved one and what helps me is God's promise at Revelation 21:4"-And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with and we will see our loved ones again. I hope this comforts you as much as it does me

“ I met Sonny thru his father Eagle while working in a music store in Port St. Lucie FL. Thru that meeting we all began to jam in a band called Next Day Gone and Sonny was on Bass guitar for both our covers and original materials. My memories of him are being a real sweet guy. Shy and timid with a huge heart. Great published poet and musician. News of his passing took me by surprise to say the least. Deepest condolences to all of his family and close friends. Gone too soon.
