“ *Dennis and I met at church growing up. He would come to visit his grandma in NY and would attend Sunday school at Bergen UMC. We frequently had post-church play dates. I remember he really liked playing with Lincoln Logs. Dennis was a kind person, always looking out for others. My condolences go out to his family and friends.*

“ *Dennis was a beautiful little boy. He was a super kind teenager and an amazingly respectful adult. My favorite memory of Dennis was that he always had to make sure someone was setting his eating limits because every single time Uncle Jason would take him out for food, he would eat till he threw up. Every time. Sure miss the heck out of you Dennis. Pretty sure you've been watching over us all. Love you <3*
