“ *Dear Lois & Family, I was so sorry to read of Spencer's death in the Portland Paper. It has been many years since he was with Canfield but I have many fond memories of both of you and especially remember his great smile. My folks thought the world of him and I know he was the apple of my mother's eye. He played a huge part in making their business a success. My thoughts are with you. Sincerely, Nancy Canfield Crump*

“ Dear Lois, Jeff and I were so sorry to read in the Portland paper of dear Spencer's passing. He was such a nice man and we have so many fond memories of both of you over the years at the Portland Club events AND meeting up with you on the cruise ship and going to the beach in Hawaii at the millennium. We hope that you both enjoyed your time at The Villages. It looks like such a fun community and I'm sure you both added a lot to everyone's day. My dear parents have both passed on. My Mother had Alzheimer's for almost 10 years and left us in December 2007. Dear Dad had Parkinson's and passed away this January. We certainly know what a long, hard road it is. Please know that we are so sorry for your loss. With deepest condolences, Judy and Jeff Kane

“ Judy and I want to send our sincerest condolences to Lois and the extended Fitts family. We remember many fun times with both Lois and Spencer at the Portland Club. We were also reliving a very fun time we got together when we were all in Hawaii around the millenium. Spencer was a fine man and I'm sure the family will also keep his memory alive by remembering many wonderful times together. Rest in peace Spencer. Jeff and Judy Kane
