“ I traveled the country with you & hours on top of hours to get to you. You did the same for me. I experienced some of the best times of my life with you and I'll forever cherish those memories! We signed a soul contract. We're bonded forever. Forever is an eternity. Soul friends anytime, all the time, anywhere! I love you 1000 times infinity and beyond. Wait for me and guide me through the purple rain! Lord rest her soul and be with her and her family and friends at this time and throughout life when they think of her!

I'll miss you forever during my time here on this earth and I know you'll be with me as I finish my journey!

Your baby girl forever, "Even when you (I) are 40."
