“ *Dear Susan (your family & Steve's family) We are so sorry for your loss of a wonderful partner. You, Steve, and Norton were the first people we met when we moved here & you all made us feel so welcome. We will remember Steve with fond memories and the many laughs and conversations we have had. I love the picture of him here and can see him busy out in the yard helping you make it beautiful. We will miss him but glad he isn't suffering with cancer & is in heaven smiling, without pain & looking down at us. Again, our thoughts & prayers are with you & all those who loved & will miss Steve. With deepest sympathy, the Stevens family.*
