“ I would like to express my condolences to Coach Cadd's family. He was my driver's ed instructor at SCHS and was also so patient. Although I haven't seen him in 32 years, my memories of him was that he was a kind and thoughtful man. I am very sorry for your loss.

“ To the Cadd family - very sorry to hear this news. I now regret not staying in better touch with Coach in the years since I graduated SCHS in 1976. Coach Cadd was a favorite teacher of many of us in high school and was a big influence on my life. I truly appreciated his calm yet firm style of leadership. His support and inspiration was a huge part of any success I had as a wrestler or baseball player, and made me a better person while in school that carries on to this day. Thanks Coach - we will miss you. You were one of the good ones. God bless you and your family.
