“ As the voice of my Father, today, I am certain of a few things he'd want to express. His love for those he felt were Family would be foremost. He'd thank Bobbi for making the last years of his life so special, meaningful and, at times, God forbid, even fun. He'd thank Jane for being a dedicated, generous and wonderful daughter. He'd thank his grandchildren for their visits and phone calls. And he'd turn to all of us and say, "As always ... good luck, and be strong."
