“ Stan, we will miss our grumpy old people talks and general crankiness trying to pull one over on the other. I can't imagine a better family to share our good and bad times with, along with all the love for each other, children, and grandchildren. Holidays, life milestones, Christmas pajama jamboree's, and of course the beef wellington dinners, we know you will be there to raise a glass in celebration along with us! Godspeed my friend.
