“ I am so sorry for the passing of Stella, my condolences to her Family. I know too well the pain of losing a loved one and what helped me was Gods promise at Revelation 21:4- " And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." Very soon death will be done away with and we will see our loved ones again. I hope this comforts you as much as it did me.

“ Every time I play cards I think of your Mom and Dad. Kiser and I had so many great times with them playing cards and square dancing. They will always be remembered as wonderful, special friends.
