“ I will always remember Stephanie as a bright and shining light . She was always a joy to be around. She loved her children, and she told me many times that she loved the Lord Jesus Christ. She will be missed from our earthly family, but I know she is with the Father at this time, and free to grow in his love. She is also with her maternal grandmother, Irene Mae Kling Dail. Love, Aunt Patsy

“ Stephy, you will be missed. Your smile would light up a room. I remember you as Stephy my little buddy that was always around with your dad and your sister Amber. We crashed many boats together, went on long walks together, and caught many little fish together. As a child you were always a beauty queen full of energy and dreams of being the next big clothing designer. My heart and prayers go out to all who will miss you.
