“ So sorry, Steve was a really good guy and a lot of help when I needed it. I didn't know him outside of Ryder, but, as I said he helped me often

“ My sincere condolences to Steve's wife and family. I will remember all the good times and laughs that we had together at Coral Gables High School (1959 - 1962). Steve and I belonged to the same high school fraternity. I have great memories of Steve, especially when he rolled his dad's VW Beetle - twice! Remember the many good times you had together.
