“ *I always looked forward to Stephen coming over to visit while I was spending time in Florida. He was warm and kind and could make anyone smile. The house was more lively when he was there. I'll never forget him, my grandpa, and my dad explaining baseball to me. It felt like the more they explained, the more confused I became, but we all had a good time. Rest in peace great-uncle.*

“ Stephen is a treasured friend who will be missed by all of us. He was always available to help anyone. Many times he made trips to and from the Orlando airport to deliver or pick me up. Sometimes on short notice and anyone else. I'm going to miss him on our Monday “trips “ Rest in peace buddy. Hank & Karen
