“ I'm Stephen Sniffen's nephew (son of his brother, Mead Sniffen). I have no other way of expressing my condolences other than posting here. I knew "Uncle Steve" back when I was a kid in the sixties and seventies. I last saw him in 1997 when he came north to attend the unveiling of a Time Capsule in Spring Valley. He, my father, my brother (Burr) and myself traveled as a group to see what Spring Valley had buried in 1947. We all had a good time. I always liked him. He had a great sense of humor and was fun to be around. He and my father had a good time when they were together although they had their differences as the years went by. He too passed away from Alzheimers (ten years ago). My best to "Laney" (I hope I spelled that correctly). I'm sorry to hear of Uncle Steve's passing. --
