“ My condolences to my sister, her family and Steve’s mom Patsy . Thoughts and prayers are with you . I visited my family just recently and enjoyed them so much. Our conversation from the airport and then back to the airport are priceless. Steve you were such a great husband to my sister, father, and grandfather. I love you for that. You had a great sense humor. Only regret I have is that I was not able to bring you some enchiladas or homemade tamales on my recent visit from Texas because it was not a planned visit. I am going to miss you dearly. I pray that Jesus comforts and surrounds your family in his Holy Spirit during this difficult time . Love y’all.  
From Texas
