“ For Steve's surviving family-I just learned of his passing today. I am so sorry. I have not seen him in a long time but he was a dear friend and member of our group in high school. He could always make you smile and was wild and crazy at times. We all loved him. He will surely be missed and his community of old school buddies is feeling his loss today as we are just finding out. God bless your family-you are in my prayers. Please let us know if there is anything we can do for you guys.
