“ *It is the little things that I will miss the most.
The I love you to sweetheart.
The way you always walked me out and waved good bye from the
front porch without fail you would watch until we were out of sight.
You saying grace at every meal with such thankfulness.
Just to name a few. I have a wonderful life and wonderful memories
because of you!
Forever your baby girl*

“ Steve was a most gracious man, and always willing to lend a hand when asked. He trained countless forest rangers from our district in the art of wildland firefighting, but always in the most gentle and kind way. We all looked up to Steve and emulated his actions and demeanor.

I will miss seeing Steve out our Forestry functions, but will always know he is now looking in on all of us!

*Happy Trails and Firelines, Steve!
God Bless!*

“ I clean Ms Jeane's and Mr Steve's house. He would always thank me for doing that and that it was hard work. I would always tell him that it was a labor of love. And it truly is that a labor of love. They both mean the world to me. I will miss his smiling face. I was blessed to have been at part of Mr Steve's live.

“ There is nobody like my dad to me..we are so much alike we just understood eachother like no other. He was so much fun to be around. We could make each other laugh and laugh and we had wonderful conversations about the grace of God..I'm gonna miss our long talks on the phone. I always told him God gave me the best dad in the world and he was my buddy. I know he's rejoicing in heaven and he's waiting on me and all his loved ones. Im looking forward to that time ..I will miss you everyday dad till we meet again. I love you dad! Your daughter Gina
