“ Pam and family- Joe and I send our sincere sympathies on Stu's passing. He was one of the first Border Patrol Agents I met when I started as an Immigration Inspector at the Rainbow Bridge and I considered him a friend. He was a kind and gentle man. Thoughts and prayers with you now. Mary and Joe

“ To Pam and family, On behalf of the Niagara Falls Border Patrol Station, and also on a personal level, I would like to express utmost condolences to you and your family on the sad news of Stu's passing. Please know you are in my family's thoughts and prayers. I had the pleasure of working with Stu at the Niagara Falls Station while he was at the end of his career and I was at the beginning of mine. Stu welcomed me to the station upon my transfer and was a great mentor to me. Many of the lessons I learned from Stu I have passed on to the newer agents at NIB now that I am at the end of my career. I have always mentioned where I learned these bits of wisdom from, and so, Stu's legacy with the Niagara Falls Station lives on. May God Bless You at this difficult time. “ He was a good Border Patrol Agent and a caring person. I worked with Stu a lot of the time at Niagara Falls and we got along well. He had a good sense of humor and got along well with all the extreme personalities we had at the Falls. He and Pam were very close and I know she will miss him dearly. R.I.P. my friend. Barry Dixon

“ Pam and family, Mary and I would like to extend our condolences to the entire Bryant family. I first met Stu when I was a toll collector on the Rainbow Bridge in Niagara Falls. I found Stu to be a very friendly person and was always interested in hearing his stories about the Border Patrol. Years later I found myself working with Stu as a fellow Border Patrol Agent in Niagara Falls. Stu was a very professional Agent who could be counted upon for his expertise and insight. We then met Pam, and the family, and socialized with them during Stu's career. Stu will be missed by all of those who knew him.

“ To Pam and family, We were so sorry to hear of Stu's passing. You are in our thoughts and prayers. Stu was one of the finest people I had the pleasure of working with during my career in the Border Patrol. He could always be depended upon to carry his share of the load and he was always willing to help someone else with theirs. He was well liked by all his peers and respected as the voice of reason in so many situations. When he retired, he left some big shoes to be filled at Niagara Falls Station. Stu was a great family man and simply a superb human being.
