Sue you have been in my life for 50+ years. Enjoyed every moment of it. We vacationed together, dined and shopped. Never had a cross word between us. Every time we got together we laughed. I will miss you.

I cherished our Saturday night dinners together, Sue, Judy and me. We took turns going to each other's homes for dessert after dinner. When it was Sue's turn, she inevitably had apple fritters because she knew it was my favorite. Sue accompanied me to my first "Military Ball" in place of Judy who was on a cruise (who allowed me to ask Sue). We often teased each other about things in our past, but my favorite was when she gave me a copy of "Hillbilly Elegy" to read. Sue will forever remain in my heart as my "Hillbilly from the Holler".

“ I went to school with Sue Ann, grades 1 thru 12. She was such an enthusiastic and positive person. In high school, she was the best cheerleader, she was well loved. My sympathy goes out to her family. My spirit will be with you as you see SueAnn to her final resting place. Love Susan Sullivan Henson

Sue Ann was one of my very favorite classmates all through grade school and high school. She had the greatest smile and was always quick to laugh. I can't remember her every saying anything unkind about anyone. Sending my sincere sympathies to her family over such a loss. Sally Fiehrer Huber
