“ *Sue was a very dear friend and neighbor who will be sadly missed by her family and friends. We were glad to visit her whenever she returned to Ohio. Our children lovingly remember her also and will always remember her loving and giving ways. She was born on my birthday only one year earlier than I and we even celebrated our birthdays on occasion. She was a special lady!!*

“ My sweet, dear Sue. I have loved you with all my heart since we were teens.No one could love anyone more than I loved you. You were the sweetest, kindest, most caring and giving person I ever knew. I never deserved you, you were gracious and allowed me in. Thank God for the years we had together. I wish they could have been easier and more joyful. You always had a smile and a giving hand. You are with God at his right side taking care of those in need at this moment. You are at peace with our son Scott, I am so happy for you two and your reunion. I pray I will be by your side for eternity. Thank you for your love I will miss and love you until we are joined again. God bless you honey.

“ What a great person and friend to many, Sue was! Always giving, ready with a joke, a shoulder or words of advice. Even when I didn't need glasses adjusted, I went to visit knowing I'd leave smiling. Heaven has a new angel.

“ Dear family, I will always have great memories of Sue. She was a extremely strong woman whom had a heart of gold. I wish I had kept in better contact with her thru the years. We had such fun at the old pee wee park and at Kaufmans. My prayers are with you all.

“ Thanks to the woman who gave me a job when I needed it and taught me the optical trade. If it weren't for you, I'd never have recieved an optical license. Everyone still calls you "the Queen of adjusting frames!" So true! I could never compare! I will never forget the days in the office and all the good times we shared. I smile now thinking of you reunited with Scott and know that you are smiling too! Prayers for all of your family.

“ There are no words to describe how much I miss you. I can't wait until the day that I see you again. The time that has and will pass between now and then shall only make our reunion that much greater. Thank you for all you did, but more importantly, for who you were. There never has been, nor will there ever be another mother as beautiful as you. You are my inspiration. I love you and miss you!
