“ Bruce, I am so sorry to hear of Susie's passing, she brought laughter and smiles to many people during her life. She always called me Pumpkin, I will always remember that. Susie has been a friend of mine for over 30 years, she wil be greatly missed. I know how you feel I lost my wife in 2004 after 40 years of marriage. You and your family are in my prayers.

“ Every once in a while, someone comes into our lives and we will never forget them. On a whim, such a person came into my life last summer. This morning I lost her to cancer. My life will never be the same. I only knew you for a short time Suzie, but I loved you like it was a lifetime. God speed my sweet, funny, wonderful friend. I will celebrate your life every day of mine. To Bruce and Mary Pat, I am sorry that I have never met you, but Suzie told me how much she loved you. There are no words, only emotions. God bless.
