

## Susan A. Savage

June 4, 1955 - September 10, 2017

Susan Anne Savage, 62, of Eustis, Florida, formerly of West Palm Beach, FL, transitioned into heaven peacefully in her sleep on September 10, 2017, at her eldest daughter's home during hurricane Irma surrounded by her family in Grand Island, FL. Born June 4, 1955 in Dearborn Heights, MI, to the late Richard and Lillian (Ogdie) Savage of West Palm Beach, FL. She is preceded in death by her older brother Dewy Lewis III of Odessa, TX, and her first husband Gary Place, of Lincoln Park, MI.

She is survived by her two daughters, Rebecca (Place) Greene, of Grand Island, FL and Megan Axelrod, of Riviera Beach, FL and nine grandchildren, and former spouse Alfred Axelrod, of Wesley Chapel, FL and her niece Lisa Lewis Breneman, of Kalamazoo, MI

She attended Dearborn High in Dearborn, MI and followed her parents to Florida where she attended Palm Beach Atlantic University. Over the course of her life she had many jobs from retail to working in flower shops and gift shops. She absolutely loved doing floral arrangements and decorating the store front window displays. In most of her jobs she would always end up in management positions for her highly organized ways and attention to detail. She was an avid pet lover and had many pets during her years. She enjoyed spending time with her daughters and many grandchildren.

She was an absolute fan of the entire Star Trek series and would consider herself a "trekkie". She loved her TV shows and was always either watching HGTV or Star Trek!

One of her favorite places to visit was the Morikami Museum & Japanese Gardens in Delray Beach, Florida.

Susan will be greatly missed by her friends and family.

Memorial "Celebration of Life" service will be held at The Warehouse church in Leesburg, Florida on Friday, September 22, 2017 @ 6:00.

# Tribute Wall

SS

“ *Sincerest sympathy to Susan's daughters and grandchildren on her passing. She is my first cousin, my mother Joan being a sibling of her mother Lillian. May she rejoice in Heaven with all of the Ogdie clan who have gone before.*

SM

“ *To an irreplaceable friend that I first met in 3rd grade... may we all be able to go peacefully into the night surrounded by family. My hope is that your dog Terry is with you now.*
