“ *So sad to hear of Sue's passing but Fran and Sue were a very loving couple & now they can be in Heaven together. Through work together at Clifford Wise in Medina, I was just a just few rooms away from Fran's special education classes. He was an extraordinary human being and teacher. Many times I met Sue during my years at Wise. Both of them set an extremely high bar for humanitarianism and kindly loving the students & staff with whom they interacted. Both were authentic Christians in the best sense of the word. I am sure that every student who came in contact with Sue and/or Fran learned much more than the academics. These students understood kindness, patience, hard work, honesty, compassion, gentleness, resourcefulness. and the many other qualities from which all of us can benefit. There are tears in my eyes just thinking of them but I know the Angels have welcomed them in their new life in Heaven.*
