“ We send our deepest condolences to Suzanne's family and the many friends who mourn her loss. What a wonderful legacy she leaves behind in thousands of children's lives- supporting their enthusiasm, dreams and encouraging them to always strive for, and to be, the best possible. She also touched the lives of many of us throughout the community with her quick wit, helping hand and easy conversation. She will be greatly missed.

“ *Suzanne was always available to help other art teachers. She helped support me when I was starting to teach art at St. John Lutheran. She would give quality judging when needed and wonderful friendship. She helped me when I taught at Madison Street while I worked on my National Boards. In our Marion County Art Education Association she held offices, encouraged art teachers, showed us how to be an art advocate, worked hard for the arts and always made everything fun and enjoyable. She has touched art students, art teachers, parents and other area teachers. She will be greatly missed, but she truly left a legacy in the art world.*
