“ Our deepest sympathy and heartfelt love goes to the family. Sybil was a very loving woman with a heart of gold. She helped anyone and everyone. She always had her arms opened wide and gave all the love she had to everyone. Each of you will be in our prayers as the days ahead are saddened, but always cherish all the great and loving memories each of you have in your hearts. Share those memories and let the other share in the laughs you have stored.

“ Greg and all of the Family, Your Mom was a special lady. There has never been a time in our lives when she wasn't there to talk to or visit with. She has endured so much pain and suffering over the years dealing with all her health issues, and has done it with patience, dignity, and grace. We are all going to miss her so much, but she is now with your Dad, and seeing all those that that loved so much. All of the wonderful memories that all of us have of her will always be with us, and they are to be treasured in our hearts forever. Keep her memory alive by sharing with your children and grandchildren all the things that she did, the stories that she told about her childhood, and the pictures that were so special to her of family, old and young. She could always remember things that happened when she was just a kid and who was there to share those times with her. She was loved more than words can express. And she loved you with all her heart! Greg, we are here for all of you and you have our heartfelt sympathies and our prayers. We Love You All, Maureen & Bennie
