“ . Loved this whole family, we were next door neighbors. Shared school clothes and hopes with each other. Cherish the memories . Be at peace until we meet again in the Sweet By and By. Amen

“ I remember my mother dancing with us when we lived in Homestead. She loved to dance. Especially , to her favorite band at the time, ABBA and the song, "Take a Chance On Me". It's funny, I can still remember her holding me dancing , head on her shoulder bouncing to her moves.
