Sylvia was an angel here on Earth and will always be an angel. She was so sweet and wanted the best for everyone. She always had something positive to say, and she surely loved her kids and grandkids. Every message she wrote to us on Facebook, or in a card, always ended in "I love you". We will also miss vacations with her, she truly made the kids all want to be around her and they are all pretty sad now. She had a big impact on many people, and she will always remain in our hearts. Atleast we know we have a good one watching over us all. Hang in there Uncle Gig, we are thinking of you.
