“ From the very day I met Tammy over 13yrs ago I always knew her to be a very kind,loving,generous,sopportive woman. She was always considered "the cool mom" When I became friends with her daughter Marie I became friends with her also! Tammy was the kind of woman who would literally give you the last grain of rice she would be about to eat if she knew someone was in need of it more than her and thats what makes her such a special kind of person. The world will never have someone who will ever come close to being like tammy!!!! You are another angel in the heavens. Rock the heavens just like you rocked the earth before you left. Yes you are gone but you will never be forgotten and may you live eternally in all our hearts!###GESTURE###

“ I am just in anguish about Tammy's passing. She is really going to be missed. I will miss her text message and messages on FB. She holds a special place in my heart. She was a God send to me. I am praying for her family, her Mom that Tammy talked of so much. She talked of loving Jeff and how supportive her way. She loves her daughter and was always over joyed about her grandchildren. She was really blessed in her life and she knows she was.

“ Dearest Tammy, your smile was infectious, your laugh contagious, your heart made of gold. The love you showed every day for your soul mate Jeff Boucher was an inspiration to all. Even on your darkest days you showed him what true love was. You were his queen.... He lived to make smile, to bring joy to your days, and comfort to your nights. You will be missed greatly, although knowing you are at peace and comfort makes it easier for those you've left behind. I know you are still with us, and watching over Jeff from above will be the comfort that guides him thru this time of grief. If ever I've met a women who deserved her wings it's you Tammy, and knowing you, you'll make them sparkle and shine. Miss you already, love kathy

“ My condolences to the family and especially Jeff. How do you say goodbye to an adopted daughter that you loved so much. I can't believe you are gone. But I Praise God that you are no longer suffering. I have seen you in so much pain but I will always remember all the fun times and laughter we shared. All the mornings we sat on my porch drinking coffee to get our day started. I will always hold a special spot in my heart for you. I will always love and miss you. Go rest high on that mountain and if by some chance you run into my mama, give her a hug and kiss for me and tell her I miss her so. Always my daughter you will be.

“ I had meant Tammy through a mutual friend 3 years ago. Tammy Loved seeing my fur babies everytime we walked passed. Always had a kind word & a smile even tho she was not feeling well. I can remember the first time I talked to Tammy she got bit by all kinds of fire ants after Jeff told her not to stomp on the fire ant hill. Just the way she was explaining it was funny but yet not funny. I am a snow bird from Michigan so I only seen Tammy 6 months out of the year. Our condolence to Jeff and Tammy's family. Jeff us snow birds will see ya soon. R.I.P. Tammy
