“ *When I was a lot younger, I begged Ann to take me to see the movie Coma that I'd read about. It was one of the rare occasions that she and I went alone. She bought me my all-time favorite, a cherry flavored snow cone from the snack bar. I really enjoyed that night with my big sister and even today, I own the movie Coma, because it will forever remind me of the best sister a girl could have!! RIP my dear sis.*
