

## Teresa Nadine Presnell

April 13, 1959 - April 30, 2021

Teresa Nadine Presnell was called home to Heaven on Friday April 30, 2021.

Her gentle spirit and kind and loving disposition will be cherished by her loved ones forever. She was an amazing woman with an iron resolve and an unshakable trust in God that empowered this remarkable woman to adapt, overcome, and persevere through all of her life's challenges.

As a young woman she worked long, hard hours to help provide for her siblings and infant daughter. Later in life she worked for many years as a medical billing manager. Her diligence and professionalism along with her optimistic attitude earned the praise of the doctors she worked for, her co-workers, and the patients alike. She was a member of New Life Baptist Church in Leesburg where she served on the bus ministry helping underprivileged children have the opportunity to attend Sunday School.

Teresa enjoyed her life and everyone in it. She had a great admiration for nature and beauty. She enjoyed cooking, baking, outdoor activities but more than these things she was happiest when spending time with her beloved family. She was very fond of Hello Kitty and had an extensive collection of Hello Kitty items.

She was an avid Nascar fan and later when she met her husband Chuck, she

became an avid Hockey fan as well. She had a witty and whimsical sense of humor and a smile that could light up the sky.

This remarkable woman made this fallen world a better place. Heaven has a beautiful new resident whose kind, loving, and selfless nature compliment all the angels and the saints who proceeded her.

She is survived by her loving husband Chuck and her cat, Spook of Umatilla, FL, her daughter Stacy and husband Donald Hill of Tavares, FL, four grandchildren Richard Jennings, Kristen, and husband Dontrey Scott, Tyrik Jenkins, and Donai Hill all from Tavares, FL. Four great grandchildren, Izayia, Sheadon, and Dontrey II all of Tavares and Angaleah of Virginia.
