

## Teresa Ann Riordan

May 25, 1949 - March 22, 2025

Teresa "Terry" Ann (Fischer) Riordan of Adrian, Michigan; and Lady Lake, Florida Passed away Saturday, March 22, 2025 and is at peace at home with Jesus.

Born in Detroit, Michigan May 25, 1949 to Edward and Helen (Jubera) Fischer.

A woman of unyielding trust in God's plan, she found strength in scripture, and peace in the promises of eternal life.

She had a fierce love for her family. A strong, independent woman, resilient, devoted single mother who raised 5 children and was immensely proud of them. She loved being "Mom" and her door was always open. If you were a friend to her kids you were treated like her own. From a forehead kiss to having to wash dishes if she heard you burp, and Friday pizza for whoever's shoes were counted by the back door.

It was her dream to travel and she was always up for an adventure. She was given opportunity to explore some of her most desired destinations: Hawaii, Germany, Czech Republic, Italy, Greece, Crete, Santorini, and even Disney World.

She was very creative and had a passion for painting.

In her last days she said "I've had a good life."

She was preceded in death by her parents Edward and Helen Fischer, two daughters Teresa Schoenberger and Ruth Pirhadi.

She is survived by her, children William (Suzanne) Riordan, Sara Riordan, David (Kathleen) Riordan and 2 beautiful granddaughters Olivia and Helena, and her sister and best friend Sandy (Mike) Vincent. And of course, the many special friends that called her "Mom".

At her request cremation has taken place and she has asked that family and friends gather in a celebration of life, to take place in Michigan at a later date.

In lieu of flowers, we ask that you plant a tree in her honor.

“ *I'm very saddened to here that Terry has passed away. I worked with her several years at Flowserve in Cookeville, TN. She was a wonderful kind person to everyone.*

“ *Remembering what a brave and fun person Terry was. Great memories of family get togethers through the years. Terry was always up for anything (or down for it depending on how old you are). She loved to laugh and I always enjoyed hearing her tell a story, which inevitably took an unexpected turn. Deepest condolences to Bill, Sara, David, Sandy, Olivia, Helena and all who are grieving. God bless you*
