“ She was always known as Re Re with my family. I will always remember her kindness, her heart of gold and a genuine smile. In younger years she always took me shopping, just me and her, and I bought whatever I wanted. She was also my GodMother and a great one to have. We will miss her dearly.

“ My sincere sympathy to all in Teresa 's family. She will be missed. Teresa was a loving woman. I had coffee with her almost every Monday morning in the staff kitchen. I loved hearing about what she planned to do for the day. She was interested in my day also. I think that is just who she was. ...always interested in other people. I

“ While I did not know Teresa very well before, I was fortunate enough to spend seven days as her roommate on the cruise where I got to know what a very special, kind and generous lady she was. It was clear how much her family meant to her and I am very sure she will be missed by those who loved her. Please know that my thoughts and prayers are with you during this time.
