“ Oscar & Terese were my godparents & I just found out about Terese. I'm so sorry for the Thibodeau family, there will never be people like that generation again.

“ I was deeply saddened to hear of Terese's passing. Like my sister Amy, I have fond memories of family get togethers at our house in Livonia. Since my middle name is Terese, I feel honored to be named after such a truly wonderful person. Your family has an important place in my heart.

“ Aunt Terese and Uncle Oscar always welcomed me and my sons whenever we visited in Florida. I am so glad that my children and I got to enjoy their love and friendship. We were accepted unconditionally as part of the family, which meant so much. My heart goes out to the whole family and I will keep you all in my prayers.

“ Aunt Terese was always loving, laughing and supportive. When she and Uncle Oscar came to Michigan they always brought the florida sunshine and their smiling faces. She will be missed.

“ My deepest sympathy and love to all the family. I will so miss the phone calls and hearing your mom's voice, which always sounded remarkably the same. I will also miss her beautiful handwritten messages in every card she sent. I still remember the family get togethers from so long ago. Also, the telephone conversations that were "snuck" in, in between taking care of children. Your Mom and mine, standing in the kitchen attached to the phone on the wall, then having to get off before the Dad's got home. AND.....those diamond earrings, ever present, so fascinating since my mom did not have pierced ears! Your folks were some of the best people I have ever known. My heart goes out to you, Amy
