Obituary of Terry Nimmons

Terry Nimmons, age 70, passed peacefully in his sleep February 18, 2015. Terry was born in Georgia and raised in Texas. However his time spent living in Colorado was where he had his most cherished memories.

He was a successful entrepreneur of many sorts and he was always up for a challenge. His great successes in the business world afforded him quality time to spend with his family. Terry had a passion for serving the Lord. One way he did this was by working with his brother Royce and supporting those troubled and in need through the Teen Challenge Ministry. He enjoyed racing cars and motorcycles and customizing trucks like none had ever seen. Terry loved Nascar and he was Dale Earnhardt's biggest fan. He enjoyed nothing more than spending time with his family, playing with and mastering new technological gadgets, entertaining friends and travelling all over this beautiful country and sharing those memories with those he loved.

Terry was preceded in death by his parents Marcy and Bob L., and his son Buford.

Terry is survived by his best friend and wife of 18 years Carolyn, daughters Ginger and Summer, grandchildren Murray, Savannah, and Brody, brother

Jim, and parents Alan and Evelyn.

Terry was a proud father and grandfather and loved watching his children and grand children grow up. He was very involved in their lives and was always a consistent and stable support system for those around him. He had a candid ability to make people laugh and seeing his family happy was what made him feel complete.

The Memorial service will be held Saturday February 28, 2015 at 11 am. The family will receive friends at Countryside Baptist Church.

“ Both my father and I worked for Terry here in Denver, AAA Wholesale and supply co. I worked for Terry for about 4 years. My father worked for him even longer. I just started to search for people I knew in my younger days, and thought of Terry. I did not know he passed. We lost touch many years ago.

I remember this huge Bronco that Terry had customized. He let me drive it occasionally for business.

It was my pleasure to have known and worked for Terry. I thought about him a few times over the years, but I believe it was late 1970's early 1980's that I worked for him. long time ago now.

God bless you Terry, you were part of my life. God speed. and RIP.
