“ Dear Knight Family, My name is Winter. I am a participant in an international volunteer work. I am sorry for your loss. In my work I offer comfort from the Scriptures to families that have lost their loved ones in death. An example of what I share is in the Bible at Isaiah 25:8,9-He will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces. And the reproach of his people he will take away from all the earth, for Jehovah himself has spoken [it]. 9 And in that day one will certainly say: "Look! This is our God. We have hoped in him, and he will save us. This is Jehovah. We have hoped in him. Let us be joyful and rejoice in the salvation by him."Did you notice the what will happen to death? It will be swallowed up. Death will be no more! Another scripture is John 5:28-29, it reads: Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice 29 and come out, those who did good things to a resurrection of life, those who practiced vile things to a resurrection of judgment." This is a promise that those dead will be ressurected to life on a paradise earth.(Psalm 37:29) Reading these scriptures have helped millions through the grieving process and beyond. I am confident they will do the same for you. For further information go to www.watchtower.org. Sincerely, Winter Gainey

“ To the family of Thelma Knight, I am so sorry for your loss. My name is Chancey and I volunteer my time to offer scriptural encouragement to my neighbors. No matter what our religious background is we all can gain comfort from God's Word the Bible. The Bible tells us that there is hope for our dead loved ones. John 5:28,29 Jesus speaks of a resurrection where all those in the memorial tombs will hear his voice and come out. And it is Jehovah Gods purpose that all mankind live on earth." For this is what Jehovah has said, the Creator of the heavens, He the [true] God, the Former of the earth and the Maker of it, He the One who firmly established it, who did not create it simply for nothing, who formed it even to be inhabited: "I am Jehovah, and there is no one else." God also promises us that He will do away with death, pain and suffering forever. (Rev. 21:3,4) Not only do we have the hope of seeing our dead loved ones again but we can live knowing that death will be a thing of the past. I hope I was able to bring you some comfort. And if you would like to learn more you can contact me @ the e-mail address listed above. Sincerely Chancey Bennett

“ *Your mama was an incredible lady. I will never forget the first time that I met her in August, 1970. I had just arrived for the first time in the Sunshine State and she told me in her gentle Southern drawl, "You will get sand in your shoes, and you will never be able to leave." She was so right. I may have left physically, but in my heart, I am right there with you. My love to all of you!!!!*
