“ *You only meet a few special people in your life and "Aunt Cis" was on of them. Kind, caring and so devoted to her family. Always a place in my heart.*

“ My friend, Cis. How very dear and precious you are to me. I don't think of you in the past tense, because you have just now truly begun to live. God be with your family and may the Holy Spirit comfort them as this beautiful light has gone out of their lives for the time being. I'll see you on the other side, Cis, and what a happy day that will be. But for now, the tears. Love to you Jack, Doug & Stacy

“ What a sweet lady who has been welcomed into heaven by her loving Father. It's amazing how only 2 short years living next to a wonderful couple like Mr. Jack and Mrs. Cis can have on a 7 year old girl. Our entire family loved you both and I grieve AND rejoice with you at the same time.
