“ *My sincere condolences to the family. The death of a loved one is very painful. Words alone cannot ease the pain. The Bible gives us comfort and hope. Jesus Christ promised at John chapter 5:28-29 that there will be a resurrection of the dead. For more encouragement please visit our website JW.org.*

“ *There will never be another Terry. A force unto herself, her vision and focus were immovable, a testament to all who endure despite the difficulties of life. She was the quintessential parent, friend, and ally in any situation. I wish the utmost comfort to those whose doorways she will never again pass through; most especially to those who were nearest and dearest to her.*
