“ Dan & Family, My deepest sympathy to you all. I loved Theresa and cherished her friendship. I will miss her deeply. The world has lost a very special lady but Heaven has gained an amazing angel. I will miss her emails and trips to Omaha, having lunch and even hitting the casino a time or two. I loved how ornery she could be and also how loving she could be. Rest in peace my dear friend. I will miss you.

“ Dan, so sorry to hear that Tee has passed away. Our thoughts are very much with you and your family at this sad time. We were always in awe of the tremendous amount of charity work that Tee achieved despite suffering many illnesses over recent years. We will remember with fondness the many enjoyable times we were able to spend with you and Tee playing golf, sharing meals and playing hand and foot plus the welcome you both gave us as newcomers to the Villages. Please stay in touch.
